Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. The book was very slow moving. Von Ein Kunde I just recently added Ms. Skye to my collection of authors. I started with

one of the Draycott Abbey series. fell in love, and quickly started buying everything she has written. Unfortunately, 'The Ruby' fell a little short of the mark. It is unusual for me not to finish a book, but I have been reading it for months and am still not past the first 150 pages. The characters do not feel quite real and I'm still not sure if the Rajah of Ranapore and Deveril Pagan are two different individuals. I simply never developed that link that makes you turn page after page and feel a real empathy with the characters.0 von 0 Kunden fanden die folgende Rezension hilfreich. Draycott Abbey and its ghosts are introduced.Von Ann (rawalker@southwind.net)I am always intrigued by ghosts and Draycott Abbey has the most wonderful residents. Each time Christina Skye writes about Draycott Abbey, it's a "must read". Although a touch of sadness is in the story, the companionship that follows lends to all the future books.
