Von Tinnean : Houseboat on the Nile (Spy vs. Spook Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Houseboat on the Nile (Spy vs. Spook Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun to readVon SunneIve read all three books of the series and have decided to give them one review together.This is the story of two hot guys in two different agencies. They arent supposed to like each other, the agencies do not think very

nicely of the other ones. But they do, both Mark Vincent and Quinton Mann are tough guys, Vincent is even a bit spooky ;) He has very high morals concerning the people he cares of but for the rest of the world? You better do nothing to annoy him. Their chemistry is really good, the stories are entertaining and captivating. The writing is neither too flowery nor too generic, it has a simple but unique quality that I really enjoyed. The whole series has just one flaw. I had the feeling while reading, that this had been written in more parts and put together later to just three books. Sometimes facts or connections got explained in the middle of the book despite we already have read this in the same book. And there are large parts where we get told the same events from both POVs, so after reading about a week from Marks POV we get the same week from Quintons POV, too. Sometimes it was interesting, sometimes not so much. Unfortunately later, when I really had hoped for both POVs then we got only one ;) The books also have some very good supportive characters, its a bit a pity that in the last one they dont play such a big role anymore. But Im not complaining. These are long books and totally worth a read. I enjoyed Marks bluntness and willingness to do whatever needed to be done very much, as Quintons realization that Mark definitely was his weak spot. I recommend them.

Kurzbeschreibung Spy vs. Spook Book 1 Mark Vincent is WBIS Washington Bureau of Intelligence and Security. Quinton Mann is staunchly CIA. Mark thinks the CIA is full of dilettantes who leave him and the rest of the WBIS to clean up their messes. Quinn thinks most WBIS agents are sociopathic loose cannons. So they dont exactly get along. Of course, just because they dont like each other doesnt mean they cant play mind games on each other. Or sleep together. But when an explosion at Marks apartment sends Quinn to the morgue to ID a body, he has to reevaluate his position on denial.
