Von Kevin J. Anderson : The Ashes of Worlds (THE SAGA OF THE SEVEN SUNS) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ashes of Worlds (THE SAGA OF THE SEVEN SUNS) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. OkVon SimonProbably the weakest book of the saga for me. Too predictable and the whole book was mainly making you hate the chairman. Still a solid book and a satisfying ending.

KurzbeschreibungThe allied factions of humanity, along with the waning Ildiran Empire and the powerful water elementals and sentient trees, have defeated the near-invincible alien race of the hydrogues, driving them back into the depths of gas-giant planets. But before peace can heal the wounds between the races, two ancient enemies return: the capricious fiery elementals, the faeros, who mean to burn all those who fought alongside their mortal enemies. And the lost hive race of the Klikiss, who intend to reclaim all the worlds they inhabited 10,000 years earlier, worlds that are now home to many human colonies. Meanwhile, the leader of the Terran Hanseatic League, Chairman Basil Wenceslas, intends to pull all of humanity's unruly stepchildren into his iron grip - even if it means he has to hold the Ildiran Mage-Imperator hostage, risking renewed war with an entire alien civilization. THE ASHES OF WORLDS brings to a thrilling conclusion the myriad storylines of galactic warfare and personal betrayals, starlost romances and titanic alien conflicts.
