Von A.G. Riddle : The Atlantis World (The Origin Mystery, Book 3) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Atlantis World (The Origin Mystery, Book 3) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great sci fi read Von Sheepchen Awesome. Flows well from book to book with great description and heart felt emotion in parts. Why a 19 word minimum on a review? 0 von 0 Kunden fanden die folgende Rezension hilfreich. Interesting story

but Von Martin Schoch A bit too long - three books? - for my liking. Also the story itself covers an interesting idea: having "aliens" or Atlantans experiment on humans throughout the universe. Meddling with evolution and striving for the ultimate goal: one race - one world - one universe.... I couldn't help but think about the Nazi doctrine years ago. And out of the blue no out of the black of the universe a new ally arrives to save the day, the world, the universe with help of one scientist ? For me still a few questions remain: where did the serpent army come from? How does their "assentation" play into this whole story....I did manage to finish all three books. Would I read them again? No I don't think they are that good.0 von 0 Kunden fanden die folgende Rezension hilfreich. I nice conclusion to the trilogy Von Igor What to say, the author was able to conclude all narration paths in a single event which connected all the dots. I agree with him that the this book (the third) is a bit different that the previous two but being a big fan of sci-if space novels I was not disappointed. I believe the author has the capabilities to write a space-opera series of novels which I hope he will write in the future.

past. _____ Northern Morocco: Dr. Kate Warner cured a global pandemic, and she thought she could cure herself. She was wrong. And she was wrong about the scope of the Atlantis conspiracy. Humanity faces a new threat, an enemy beyond imagination. With her own time running out and the utter collapse of human civilization looming, a new hope arrives: a coded message from a potential ally. Arecibo Observatory: Mary Caldwell has spent her life waiting, watching the stars, looking for signs of intelligent life beyond our world. When that day comes, Mary is thrust into a struggle older than the human race, with far greater stakes. She must decide who to trust, because there is nowhere to hide. Antarctica: In the wake of the Atlantis Plague, Dorian Sloane finds himself a puppet to Ares and his mysterious agenda. When Dorian moves to take control of the situation, Ares unleashes a cataclysm that changes everything. As the catastrophe circles the globe, Ares reveals the true nature of the threat to humanity, and Dorian agrees to one last mission: find and kill David Vale and Kate Warner. There will be no prisoners this time. The orders are seek and destroy, and Dorian has been promised that his own answers and salvation lie on the other side. With Dorian in pursuit, Kate, David, and their team race through the ruins of the Atlantean ship left on Earth, across Atlantean science stations throughout the galaxy, and into the past of a mysterious culture whose secrets could save humanity in its darkest hour. With their own lives on the line and time slipping away, Kate, David and Dorian are put to the ultimate test. ABOUT The Atlantis World is the final book in The Origin Mystery, the trilogy that has become a global blockbuster bestseller. This adventure across space and time explores the history of the Atlantean homeworld and culture, a topic readers have asked about since the release of the first novel in the series, The Atlantis Gene. The trilogy is currently in development to be a major motion picture. NOTE: All three books in the trilogy are now available. We survived, but no one knows how. Now the next stage of human evolution is beginning. Will we survive this time? Geneticist Kate Warner and counter-terrorism agent David Vale have prevented a fierce plague from wiping out humanity - but the struggle to survive is far from over. The Atlantis World stretches deep into space and time, harbouring an enemy greater than anyone had imagined. Now Kate and David must race through galaxies, past space stations, and into the past of a mysterious culture whose secrets could save humanity in its darkest hour. This is the blockbusting final instalment in the Origin Mysteries.
