Von Joel C. Rosenberg : The Auschwitz Escape (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Auschwitz Escape (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. An enjoyable readVon John T CThere isn't much I can say about this book except that it is a gripping recount. Joel Rosenberg not only developed the characters so well, he did a fascinating job of bringing out their emotions and thoughts and of describing their actions in a way that made it easy for the reader to picture the time and the situations of the characters in the book. His handling of details is perfect, sparing the reader. Not only does he write in a fluid

manner, he knows his subject very well. I never felt like putting the book aside during the read. It captures so much in its scope like stories such as *Disciples of Fortune*, and *The Great Escape*. Every chapter was enjoyed.

Kurzbeschreibung
ECPA 2015 Christian Book Award Finalist! 2014 finalist for the Goodreads Choice Awards!
Evil, unchecked, is the prelude to genocide. As the Nazi war machine rolls across Europe, young Jacob Weisz is forced to flee his beloved Germany and join an underground resistance group in Belgium. But when a rescue operation goes horribly wrong, Jacob finds himself trapped in a crowded cattle car headed to southern Poland. Sentenced to hard labor in the Auschwitz labor camp, Jacob forms an unlikely alliance with Jean-Luc Leclerc, a former assistant pastor who was imprisoned for helping Jews. They've been chosen for one of the most daring and dangerous feats imaginable: escape from Auschwitz. With no regard for their own safety, they must make it to the West and alert the Allies to the awful truth of what is happening in Poland before Fascism overtakes all of Europe. The fate of millions hangs in the balance.
Pressestimmen
The strong religious conviction evident in Rosenberg's previous novels ("*Damascus Countdown*"), which were focused on the Middle East and Muslim-Western relations, is reflected in his latest book, [*"The Auschwitz Escape,"*] a work of historical fiction, about a heroic escape from the Nazis. Luc, a French pastor, who is sentenced to the Auschwitz death camp for helping Jews, joins forces with Jacob, a Jewish man sent to the camp after his attempt to hijack a train bound for Auschwitz fails. Together they plan to escape to tell an unbelieving world about the Holocaust. During the escape, the two form a strong bond, learning about each other's faith and doubts. When Jacob questions why Luc has joined the Resistance, the pastor responds, "The real question is 'Why aren't all the Christians here?'"
Rosenberg has done what he does best: create believable characters set in a political milieu and also in religious context, acting on conviction or exploiting religion for selfish or evil ends. This is Rosenberg's most deeply moving work to date. --Publishers Weekly
