Von Jude Deveraux : The Awakening (The Montgomery/Taggart Family) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Awakening (The Montgomery/Taggart Family):

shining armour), I must say that the Awakening was one of her best. I absolutely adored her combination of a factual scenerio and down-to-earth characters that I feel some of her earlier books didn't have. Amanda is a character I feel many modern women can marvel at in the beginning, and, as the story moves along, understand and connect with. Hank is an admirable character, with intelligence, determination, and a purpose, a true Montgomery, and completely in the style of Jude. A wonderful book, all in all.0 von 0 Kunden fanden die folgende Rezension hilfreich. I love it! Von Ein Kunde I enjoy this book alot. I finish it in 1 day even though it was a very short story, i love how Hank comes into her life and change everything that goes on since she was young. I didn't like how her father and so call teacher runs her life for her.(it reminds me of my own life)but anyways i love this book and hope you will enjoy it as much as i did.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great book as all of Jude Deveraux's book are Von Ein Kunde This was a very good book. I liked Hank. He sounded like the person you'd be happy to know and have on your side. I'm hoping Jude Deveraux comes out with a new book soon. I've read everything she has written.
