Kurzbeschreibung The Paranormal Romance Guild This was a wonderful book that held my interest from the first page. It is a story filled with love and betrayal. My only problem with this book was the editing, if not for that I would have given it 5 stars. In spite of this it was a wonderful story. I hope there are more books coming since there are so many characters I would love to learn more about.<http://www.paranormalromanceguild.com/reviewseliskadelaney.htm> ed by: Linda Tonis Member of the Paranormal Romance Team A Lycan king who'll stop at nothing to protect her . . . Hell bent on a path of revenge to avenge her death by destroying the one who killed her, she finds herself becoming distracted by the lykae as her feelings -- particularly lust and desire -- resurface. Though a future with him is out of the question, she fears he has no intention of ever letting her go. An awakened desire . . .
