Von Kate Chopin : The Awakening (Xist Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Awakening (Xist Classics):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Kultur durch LiteraturVon ankoerBeeindruckend in Inhalt und Stil . Eine besondere Form der Literatur- und Kulturgeschichte des amerikanischen Sdens des spten 19. Jahrhunderts. Aus weiblicher Sicht geschrieben, aber nicht auf weibliche Leser/ innen begrenzt.0 von 0 Kunden fanden die folgende Rezension hilfreich. Layout der Ausgabe schlechtVon

KundeIch möchte hier nichts über den Inhalt Chopin's Roman schreiben, sondern über diese Ausgabe. Wer diese Ausgabe hier kauft, sollte wissen: Das Buch kommt in DIN A4-Größe, ist NICHT mit Seitenzahlen versehen und die Kapitel beginnen oft am Seitenende. *bersichtlich ist etwas anderes!* 5 von 5 Kunden fanden die folgende Rezension hilfreich.
excellent novel - must read for women especially
Von Chelsea Donnelly
Kate Chopin, a woman far ahead of her time, did a remarkable job in writing *The Awakening*. She most likely felt many of the same things as her fiction character, writing them through her novel. It is so unfortunate that the book was rejected when first published, that people could not accept such a revolutionary and dynamic female character like Edna Pontellier. She was a strong-willed woman who discovered her independence, self-worth, inner strength and sexuality. In a time when wives were submissive and subservient, Edna breaks free of the confines of society's traditional role for women. Empowered by the realization that she can make her own decisions and act according to her will alone, not simply her husband's, her life becomes more fully real. It is then that she can also truly love. Edna had always been quietly rebellious and independent, but had slowly given in more and more to society's rules and the males in her life. She did not want to be seen and esteemed only for being a mother and proper woman. It was refreshing to see such a strong woman, especially considering the time period the novel was written, long before the times of civil or women's rights. Edna's happiness and freedom, her true self and being, are the most valuable things in the world to her. She does not want to be treated as a possession any longer. Edna's thoughts and actions were quite radical for the late 19th century, but many of the ideas from the novel still apply today, even in a time of supposed equality and freedoms. People must learn to look inward for true happiness; self-realizations and preservation. Today, people, women, tend to look outward for their contentment and acceptance, basing it on other people and material things. Kate Chopin and her character were attempting to break free of this a century ago. Reading *The Awakening* was a pleasurable experience from start to finish. We both really enjoyed the novel and definitely recommend it to others, especially women.

Kurzbeschreibung A woman would give up everything, except her self. I would give up the unessential; I would give up my money, I would give up my life for my children; but I wouldn't give myself. I can't make it more clear; it's only something I am beginning to comprehend, which is revealing itself to me. Kate Chopin, *The Awakening*
The Awakening by Kate Chopin is a landmark story of early feminism and a look at a 19th century woman who struggles to embrace her duties as a wife and mother in the American South. This book is required reading in many high school and college English courses. Xist Publishing is a digital-first publisher.
