Awesome FriendshipsVon Ami in GermanyThe title is somewhat misleading. Sure, each chapter begins with great advice on relationships, but the real story is about strong women - 3 Smithies plus one - and their very real, enduring love and friendship. Their individual and collective strength evolves out of their weaknesses. Sounds like real life? I

sure wish that I had such amazing friends. But now that I think about it, perhaps I do. Read this book. It will enrich your life.

Kurzbeschreibung Four women. Two years. A friendship to last a lifetime. The only things that Sharita, Thursday, Risa, and Tammy have in common are their disastrous love lives. But the year three of them turn 30 will be different, they swear! Sharita, a plump and conservative accountant wants to make partner at her firm and find the man of her dreams. Thursday, the daughter of a formerly chart-topping political rapper, wants to stop being a serial one-month stander, and settle down into a stable life with a stable boyfriend. Risa, a skinny and audacious electronica punk rocker, wants to finally land an album deal, which she feels is the only way to win back the heart of her on-again of off-again closeted girlfriend. And after getting fired as the spokesmodel for her familys hair company, sweet and gorgeous Tammy wants to prove that she has what it takes to make it on her own. None of these women get what they want, but over the course of two years, they get exactly what they need. And that proves to be the best thing after all.
