Endearing story that includes instant parenthood romance!Von Ein KundeAnne Marie Winston turns tragedy into a budding romance that withstands the trials and tribulations of parenthood. Most couples need to prepare for the big decision to have a baby, but Jack Ferris must become an instant father. His orphaned niece brings him more joy than he could ever have imagined once he gets over his fear of the awesome responsibility of raising a child. Romance is his ultimate reward.

Kurzbeschreibung CRASH COURSE IN BABY CARE 101 When Jack Ferris became a father by default, he had an armful of infant and less than half a clue. The high-powered executive desperately needed a "baby consultant," and alluring Frannie Brooks fit the bill. She had a special touch with the child - and with him. Frannie had once loved a man who only wanted her mommy skills - and vowed never again. But Jack made her feel like a sensual, desirable woman for the first time. Yet how could she be sure he truly wanted her and not just her maternal instincts? Butler County Brides: Three small-town friends bring three of the sexiest, most powerful men to their knees!
