I wasn't sure what to expect because this was her first book. Believe me, I wasn't disappointed. I can't wait for her to write another one!0 von 0 Kunden fanden die folgende Rezension hilfreich. A real delight!Von Ein KundeA fresh new voice in the genre. The Baby Due Date was among my favorite baby books this year. I look forward to reading Teresa Carpenter again soon!!

KurzbeschreibungTHERE WAS A MIX-UP AT THE SPERM BANK.And now Lisa Langdon was expecting millionaire Jared Steele's baby. The dashing executive was determined to be an exceptional father, and Lisa couldn't deny her unborn baby his love. However, she never anticipated the needs she'd feel for the devoted daddy-to-be. Lisa kept telling herself that her reasons for wanting to know this man had to do only with the babyand not with how charming she found him.Jared was handsome, intelligenteverything she desired in a man. But the once-burned bachelor didn't believe in romance. Now it was up to Lisa to show him she was more than the mother of his childshe was a desirable woman in need of love.KurzbeschreibungTHERE WAS A MIX-UP AT THE SPERM BANK.And now Lisa Langdon was expecting millionaire Jared Steele's baby. The switched at conception idea came about because I love stories where the hero and heroine share the care of a baby. I feel the emotional link of their love for the child puts them on an equal footing. And I thought what if that child wasn't just a relative, but their own child. How much deeper would the emotional bonding be? I had a great time exploring this question. I hope you have a great time reading the results.
