Von Sinead Moriarty : The Baby Trail: Emma and James, Novel 1 (The Baby Trail series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Baby Trail: Emma and James, Novel 1 (The Baby Trail series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. ein ernstes thema, aber wunderschoenVon ingadas erste buch der reihe von sinad moriarty. man lernt die personen kennen

und fiebert mit bei dem versuch schwanger zu werden. die figuren sind mehrdimensional und man fuehlt und denkt mit ihnen. kein ganz luftig leichtes buch der chick-lit, aber wunderschoen und lesenswert. ich konnte jedenfalls kaum erwarten, die beiden naechsten baende zu lesen, um zu erfahren, wie es weitergeht!

Kurzbeschreibung Sinad Moriarty poured all her experiences in trying to get pregnant for the first time into her debut novel *The Baby Trail*. Her heroine Emma Hamilton discovers that the road to conception is far from straightforward and her story is a moving and funny exploration of an experience so central to so many women's lives. The novel established Sinad as a major talent in the tradition of Marian Keyes. TicktockticktockTICKTOCK ... That's Emma Hamilton's biological clock you can hear. She wants a baby and she wants one NOW. But when Mother Nature refuses to play ball, Emma decides to give her a prod - or two. Soon her life is a roller-coaster of post-sex handstands (you can't argue with gravity), hormone-inducing (sanity-reducing) drugs and a veritable army of probing specialists (torturers, more like). It's out with the booze and spontaneous sex, in with green tea and ovulation tests. Emma couldn't have conceived that the road to pregnancy would turn into the mother of all journeys. But she's finding out that once you're on the baby trail, nothing is sacred - and one way or another, life will never be the same again ... Sinad Moriarty's novels have sold over half a million copies in Ireland and the UK and she is a four times nominee for the popular fiction Irish Book Award. She has won over readers and critics telling stories that are funny, humane, moving and relevant to modern women. *The Baby Trail* was Sinad's first novel and her distinctive voice, and trademark mix of light and shade, announced that a fabulous new talent had arrived. Sinad Moriarty lives with her family in Dublin. Her other titles are: *A Perfect Match*; *From Here to Maternity*; *In My Sister's Shoes*; *Keeping It In the Family* (also titled *Whose Life Is It Anyway?*); *Pieces of My Heart*; *Me and My Sisters* and *This Child of Mine*. Pressestimmen "Hilarious and touching. Sinead Moriarty is a fun, fresh new voice in women's fiction." -- Meg Cabot, author of *The Princess Diaries* series and *Every Boy's Got One* "At last, a book that's more chick wit than chick lit." -- *Closer* magazine (UK) "Pregnant with classically Irish humor, wit, and guts." -- Valerie Frankel, author of *The Girlfriend Curse* "Very funny." -- *Heat* magazine (UK) "Mix Bridget Jones with Charlotte from *Sex and the City* and you've got Emma, the charming heroine of *The Baby Trail*... a funny, feisty guide through the realities and hilarities of twenty-first-century baby-making." -- Jennifer Weiner, author of *In Her Shoes* and *Goodnight Nobody* Kurzbeschreibung Sinad Moriarty poured all her experiences in trying to get pregnant for the first time into her debut novel *The Baby Trail*.
