Von Rachel Abbott : The Back Road (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Back Road (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. Far-fetchedVon ChristianeAlthough I have enjoyed several of Rachel Abbotts books I feel that plausible plots have never been her strong suit. Now, with Back Road she has reached whole new levels of implausibility.The plots and sub-plots

are breathtaking in their far-fetchedness and improbability and as I didn't particularly care for any of the characters (especially the main protagonist, Ellie, who lets face it is a bit of a ninny) I could hardly sustain an interest in how the story would turn out. P.S. I am very glad to know, though, that Smudge is recovering !

DCI Tom Douglas ist mir einfach sympathisch und das war auch der Grund für diese Entscheidung. Allerdings bin ich sehr enttäuscht. Das ist kein Krimi sondern die Beschreibung mehrerer Ehedramen oder Verwirrungen. Zum Schluss wird alles "einfach" erklärt/aufgeklärt nur eines nicht, wie kam die Mutter von Ellie zu so viel Geld???

Kurzbeschreibung From the author of #1 bestseller *Only the Innocent* A girl lies close to death in a dark, deserted lane. A driver drags her body to the side of the road. A shadowy figure hides in the trees, watching and waiting. The small community of Little Melham is in shock. For Ellie Saunders, last night's hit and run on the back road could destroy everything she has. She was out that night, but if she reveals where she was and why, her family will be torn apart. She is living on a knife-edge, knowing that her every move is being observed. Ellie's new neighbour, former Detective Chief Inspector Tom Douglas has moved to the village for some well-deserved peace and quiet, but as he is drawn into the web of deceit his every instinct tells him that what happened that night was more than a tragic accident. As past and present collide, best-kept secrets are revealed and lives are devastated. Only one person knows the whole story. And that person will protect the truth no matter what the cost. *The Back Road* is an electrifying thriller that will keep you guessing to the very end.

REVIEW There are red herrings galore in this well scripted plot and even when you think you have the story sussed, Abbott throws a spanner into the works a refreshingly original read. Crime Fiction Lover blog Not only is it tightly plotted, with intricate twists and turns, the writing is also of the highest standard. What am I reading blog This is a tightly written psychological thriller. top 500 reviewer
