too long... and not really into the characters
Von Customer
The Balkan Trilogy
There are some of the characters I can identify with to some extent - the school teacher for instance. But overall, this is not my kind of thing. I would rather read Herman Wouk for novelised versions of the Second World War. The people in this novel, to a large extent are of little interest to me, and I struggled to reach the end. Some rich elements of technique. Would not dare fault the writer here.

Kurzbeschreibung
Living and working in Rumania, Guy and Harriet Pringle are forced to evacuate to Greece before the steady advance of the German army. The Balkan Trilogy is the remarkable portrait of their marriage, a haunting evocation of a vanished way of life and a delightfully ironic comedy of manners in a breaking world.
Pressestimmen
The most considerable of our women novelists.
Anthony Burgess
From the Trade Paperback edition.
Werbetext
"One of the finest fictional productions that Britain has seen since the war." - Anthony Burgess
