Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Mittelmässiger Regency Von Merle In dieser Regency-Geschichte wird die 14-jährige Aurora wegen einer Wettschuld

ihres verruchten Vaters mit dem unwilligen Alex verheiratet. Im Anschluss daran schliesst sich Alex dem Militr an und verschwindet fr zwlf Jahre. Bis zu ihrem erneuten Treffen schlt sich die frustrierte junge Frau einigermaßen durch das Leben. Soweit die Geschichte, die sich dann mit einigen Irrungen und Wirrungen zum befriedigenden Ende entwickelt. So ganz zufrieden lsst mich die Entwicklung nicht zurck, zu unwahrscheinlich die Fgungen und die Reaktionen der Protagonisten. Ich mag es, wenn die Umgebung und die Umwelt beschrieben werden, die Umstnde und Sitten. Was hier leider sehr sprlich vorkommt. Ich gebe der Geschichte 2 1/2 Punkte.

KurzbeschreibungA drunken laugh, a roll of the dice... and Aurora Sprague finds herself a child bride, married in haste to a young man she's never met to settle her father's gaming debt. Moments after the ceremony, the new groom gallops off to the army and Aurora is banished to a remote estate, married in name only. Years later, Alex Fenimore, now a top intelligence officer, is on a secret mission when a fiery young lady helps him escape attack. He has no idea that the woman is his wife or that the sparks of desire between them are about to ignite a dangerous passion. AWARDS: Best Regency of the Year Nominee, 2000 REVIEWS: "...lush romance mixed with great humor and a touch of human frailty." ~RT magazine SCANDALOUS SECRETS SERIES, in order The Banished Bride Lady of Letters The Major's Mistake LESSONS IN LOVE, in series order The Defiant Governess Second Chances The Storybook Hero ABOUT ANDREA PICKENS: Andrea Pickens created her first book at the age of five a neatly penciled story about cowboy show however she has since moved on from Westerns to writing about Regency England, a time and place that has captured her imagination ever since she opened the covers of Pride and Prejudice. From Booklist On the way back from delivering a woman to safety in Scotland, Aurora Sprague, proprietor of the Sprague Agency for Distressed Females, is abducted by Major Alex Fenimore, the husband who abandoned her immediately after their wedding years ago. On the trail of a female spy feeding British secrets to the French, Alex has no idea that the woman across from him is the bride he left behind, and Aurora has no inkling that the man she considers "the most bumbling British agent in all of Christendom" is in fact her legal husband. Their search for the traitorous spy pushes Alex and Aurora together, but once the truth about their past surfaces, it threatens to destroy any feelings developing between them. A bit more sensual than most traditional Regencies, Pickens' latest romance offers a wonderfully spirited battle of wits that readers will just adore. Spiced with tart humor and graced with an intelligent, resourceful, and unconventional heroine, this is a Regency to savor. John Charles Copyright American Library Association. All rights reserved.
