KurzbeschreibungWhy was King Henry, an aboriginal from Western Australia, killed in New South Wales? What was the feud that led to murder after nineteen long years had passed? Who was the woman who saw the murder and kept silent? This first story of Inspector Bonaparte takes him to the Darling River bush country where he encounters those problems he understands so well - mixed blood and divided loyalties. 'Rampageous fisticuffs, rough scenery and rougher, dust-covered sheepmen and wanderers, dignified aboriginals, and so much interest and local colour.' - Books and BookmenKurzbeschreibungWhy was King Henry, an aboriginal from Western Australia, killed in New South Wales?
