Von Shayne McClendon : The Barter System (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Barter System (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Brilliant read Von Philomena (Cheekypee) Oh my dayz!! I received this for a blog tour I'm so glad I did. Riya O'Connell requests applications from men around the country willing to participate in the research she needs for her dissertation on Male Sexuality. This is the start of an emotional and exploratory journey for her. I totally loved Riya. Such a strong

character. As for the men they were totally hot... All of them. Although Riya left a little piece of her heart with each of them she became stronger as the time passed. Although at first I found this a bit surreal I totally loved this book. Storyline was brilliant and I was totally delighted that this was a long story. I had to message author during part of it to say she made me cry!! I really didn't want it to end. However I loved the ending. This is the first book I've read by this author but it won't be the last. I was totally glued to this book.
