Translation problems / bersetzungsproblemeVon Issy048The story of alter world continues. The great battle starts, even before the expected time and Max and his friends struggle to stay ahead of their opponents. They meet friendship, but also treachery and hardship.But not only do the characters struggle in epic battles, the reader is struggling as well. To get this book translated faster, another translator has been hired - and that shows. If it is just words switching places as to what one expects it to be written like, or completely other words used. Every now and then I really struggled with reading, having to re-read sections to grasp more of the meaning, at times not even fully understanding everything after reading a passage several times and just continuing anyhow, feeling a bit frustrated.I sincerely hope, that the next books improve in the translation work, as the story itself is still very engaging, but can't fully expand in the readers mind due to the translation.

Die Geschichte Alter Worlds entwickelt sich weiter. Der Groe Kampf beginnt, sogar noch vor der erwarteten Zeit und Max und seine Freunde mssen sich sehr anstrengen, um ihren Gegnern einen Schritt voraus zu bleiben. Ihnen begegnet Freundschaft, aber auch Verrat und Elend.Aber nicht nur die Charaktere haben zu kmpfen, auch der Leser hat es nicht leicht. Damit dieses Buch schneller bersetzt werden konnte, wurde ein weiterer bersetzer angeheuert - und das merkt man. Da sind Worte, die in anderer Reihenfolge als bekannt aufeinander folgen, oder ganz andere Worte, welche pltzlich genutzt werden, Hin und wieder war das Lesen sehr schwer, ich musste Passagen mehrfach lesen um die Bedeutung zu erfassen, manchmal habe ich es selbst nach mehrfachem Lesen nicht vollstndig verstanden und die Passage hinter mir gelassen. Das hat mich auch ein wenig frustiert.Ich hoffe sehr, dass bei den nchsten Bchern die bersetzung wieder besser wird, da die Geschichte immer noch sehr einnehmend und interessant ist. Sie kann den Leser nur nicht mehr so gefangen nehmen, da die bersetzung schwchelt.0 von 2 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungThe Russian cluster. The ground shakes as the enemy approaches. The angered gods frown as they look down from the sky. Intelligence agencies are locked in a brutal fight. Hundreds of thousands of sentient beings happily slaughter each other. This is no longer a game quest, nor a petty fight between clans over some land rich in resources. This is war!A war of civilizations, religions, and all the dimensions of the world. The earth weeps in pain. The astral beings turn away in horror. Burning castle towers collapse to the ground. Stones melt in the heat. The enemy is coming.Refugees flood the Valley. Alliance members are joining forces. Max is not just a clan leader anymore. He is the Chief, the head of the resistance. And you have no choice but to fight; you are the hope of the children and the thousands of innocents. They have entrusted you with their lives.KurzbeschreibungThe Russian cluster.
