Von R. A. Salvatore : The Bear (Saga of the First King) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bear (Saga of the First King):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Tolles Buch, nicht fr Englischanfnger...Von Michael R.K.Habe zuvor die komplette Spooks Reihe auf Englisch gelesen. Hielt

mich danach für einen Kenner der Englischen Sprache. Habe alle deutschen Bücher von Salvatore gelesen und the Highwayman auf Englisch. Da es dieses Buch jetzt aber leider auf Deutsch bisher nicht gibt und ich die Geschichte vom Storch unbedingt weiterverfolgen wollte, holte ich mir dieses. Kein Problem, dachte ich. HaHa, weit gefehlt. Lese nun schon sehr lange an dem Buch und habe mein Handy mit Übersetzer neben dran, da Salvatore in gewohnter Manier alles haarfein beschreibt. Das ist ja das was die Bücher ausmacht. (Vor allem in Kämpfen) In seiner Detailverliebtheit verwendet er Wörter die ich noch nie gehört habe. Dennoch tut dies dem Buch keinen Abbruch, die Geschichte ist toll, auch wenn ein wenig meiner Sympathien für Branson (vor allem am Anfang) schwanden, ist das Buch für Salvatore-Fans ein Muss. Daher bin ich der Meinung, die Mühe lohnt sich.

Kurzbeschreibung The war of Honce drags on, and the roads and seas are littered with bodies. To everyone's stunned disbelief, Yeslnik the Fool has tipped the war's scales in his favor. The reign of the newly self-appointed King Yeslnik is already distinguished as the most bloody and merciless in Honce history. Trapped, Dame Gwydre and Father Artolivan concoct a desperate plot to join forces with Laird Ethelbert, the lesser of two vicious evils. But Ethelbert's paid assassins slew Jameston Sequin and nearly did the same to Bransen. Embittered by it all, Bransen seeks to extricate himself from the selfish goals of all of combatants. But in an odd twist of fate and crossed loyalties, Bransen sees in his old nemesis, Bannagran--the Bear of Honce and the man who slew his adoptive father - a darker image of his own heart. Allies and battle lines become tangled, motives indistinguishable as old friends become enemies and old enemies become allies, in R.A. Salvatore's *The Bear*, the fourth book in the *Saga of First Kings* series. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Pressestimmen Praise for "The Ancient" "Salvatore explores the interaction between politics and religion with depth, insight, and ambition. His characters are an intriguing mix of social and class differences. Entertaining . . ."-- "RT Book s" "A worthy addition to the lore of Salvatore's invented world."-- "Kirkus s" "Imposing."-- "Publishers Weekly" "Fans of martial fantasy should enjoy his vivid depictions of combat."-- "Library Journal"
