Von Charles Major : The Bears of Blue River before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bears of Blue River:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Bears of Blue River sequel Uncle Tom Andy BillVon takseng (takseng@aol.com)I am really pleased to find that Bears of Blue River is still around. I don't know if there was any book in my childhood that affected me as much as Bears of Blue River, with the feeling of authenticity of the rawness of pioneer Indiana. Apparantly its sequel titled Uncle Tom Andy Bill, is not in print, or at least doesn't show it. If you love Bears of Blue River you will want to find the further adventures of Balser in this book. Maybe, if there's a market for Bears of Blue River, the publisher might be persuaded to reprint it0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent book for young and old alikeVon Ein KundeMy third grade teacher read this book to our class after lunch everyday, this was back in 1958 and to this day I remember the enjoyment that we all received from this book. When my son was around 7 or 8 years old I ordered the

book for him to read and I also plan on reading it to my grandchildren.0 von 0 Kunden fanden die folgende Rezension hilfreich. The Bears of Blue RiverVon Ein KundeMy home room teacher read this book to my class in 1954. It was something that all of us looked forward to everyday. I have read thousands of books since, and no book has touched me like this one. It is a book that has appeal and value for young girls and boys.

KurzbeschreibungThe Bears of Blue River by Charles Major. Illustrated edition by A. B. Frost and Others. The Bears of Blue River describes the adventures of a young boy growing up in early nineteenth-century rural Indiana. Little Balsler lives with his parents, a younger brother, and a baby sister in a cozy log cabin on the bank of the Big Blue River. Although only thirteen or fourteen years old, he is quite familiar with the dangers and rigors of frontier life. As the story unfolds, the boy becomes lost in the forest, encounters the fierce one-eared bear, and is nearly caught by a bear as he dozes next to what he thinks is a bearskin. This is a book for children or adults who love nature and tales of early pioneer life. Charles Major (1856-1913) was an American lawyer and novelist. Writing remained an interest of Major, and in 1898, he published his first novel, When Knighthood Was in Flower under the pseudonym Edwin Caskoden.
