Von Leighann Dobbs, Raven Ashton : The Beast of Edenmaine (Fancytales Regency Romance Series Book 4) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Beast of Edenmaine (Fancytales Regency Romance Series Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Die Schne und das BiestVon Vio"The Beast of Edenmaine ist eine Variation des Die Schne und das Biest-Themas, dem alten franzsischen Volksmrchen. In dem Mrchen ist ein junger Mann einem grausamen Fluch zum Opfer gefallen und kann nur dann gerettet werden, wenn er eine Frau findet, die ihn aufrichtig liebt.Im vorliegenden Buch gibt der junge Grayson, der Earl of Edenmaine, das Biest. Auf einem Ball erblickt er Lady Jane Cerrigwyn, die schnste Frau, die er je gesehen hat, und will sie unbedingt fr sich haben. Er reit sie ohne Vorwarnung in seine Arme und ksst sie leidenschaftlich vor versammelter Gesellschaft, womit er ihren Ruf ruiniert. Jane sieht sich gezwungen, den als verrckt und gefhrlich geltenden Earl zu heiraten, um ihre Familienehre zu wahren.Dieses Buch von Leighann Dobbs ist eine kurze Novelle, die im England des Regency-Zeitalters spielt und in relativ schlichtem Stil geschrieben ist. Die Protagonisten sind sympathisch, aber das Buch ist viel zu kurz. So findet nach dem Kuss gleich die Hochzeit statt, ohne dass viel Aufhebens um den Skandal gemacht wird. Der Konflikt, zur Heirat mit einem vermeintlichen "Irren gezwungen zu werden, wird ebenfalls nicht ausreichend ausgearbeitet. Sehr gut gefallen hat mir, wie beide das Beste aus der von ihm verursachten Situation machen, und wie sehr er sich um seine unfreiwillige Braut bemht.

KurzbeschreibungOnce upon a time a young English lord lost his brother in a terrible fire. Unable to bear the guilt of not being able to save his beloved sibling, the young lord soon fell to a curse through which his mind deceived him into believing he faced the fiery flames which had taken his brother's life, night after night, and his family was forced to send him away.Five long years passed, years in which stories of the young lord-turned-mad-earl were bandied about from parlor to parlor, each more embellished and frightful than the last until all London began to quake in secret, silent fear of the beast he had become. Then one night at a ball, said beast stole away with Lady Jane Cerrigwyn and made her his reluctant bride.Lady Jane is horrified to find herself wed to a madman, but perhaps, she thinks, all is not as it seems for by day the earl woos her as carefully as any lover might. But by night, bound by terror and the tragedy of his past, he locks himself away, far beyond her reach.Dare she try to save him from the madness that consumes him, or will the demons he fights each night prove too strong for any to defeat? Either way, Jane knows she must somehow find the courage to confront the beast of Edenmaine...This is a novelette of around 12,000 words, or about 40 pages. A sweet, short story.KurzbeschreibungOnce upon a time a young English lord lost his brother in a terrible fire.
