Von W.E.B. Griffin : The Berets (Brotherhood of War) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Berets (Brotherhood of War):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. "General Hospital" in Army greenVon Ein KundeThis is a weak series of books, as far as war novels go. They're more like an ongoing soap opera than gritty war drama (think "General Hospital" as a novel, only set between 1945-1970 and revolving around the Army instead of Port Charles.) The characters are given plenty of time to evolve, and some do (Lowell, in particular.) But it all seems too phony. A good war novel should have some truth in it, but it is in short supply with these books.0 von 0 Kunden fanden die folgende Rezension hilfreich. Die Green BeretsVon kyrrdisIn diesem Buch geht es zunchst um die Nachwehen der gescheiterten "Operation Schweinebucht". Auerdem kmpfen die "Green Berets", zu denen mittlerweile schon fast alle unsere Freunde gehen, um ihr Bestehen und fr sie nicht das

unwichtigste ihr Recht, das verlor die grüne Mädchen tragen zu dürfen. Außerdem wird eine sehr interessante neue Figur eingeführt, Geoffrey Craig, Sohn von Lowells Cousin. Es überrascht keineswegs, da Rekrut Craig zunächst gewaltigen Widerstand hat. "The Berets" ist ein klassisches Übergangsbuch, in dem die Weichen für die nächsten Bände gelegt werden. Dennoch auf keiner Seite langweilig. Aber, das würde mich bei dieser Serie auch überraschen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Another good one from Griffin Von Ein Kunde The Triumph and the Glory may be the big war novel hit of 99, but Griffin's Brotherhood of War is hard to beat, and The Berets is one of the best of the series. I thoroughly enjoyed the insights into military life and the rock solid theme that this fine book offers. Read the entire series, I did and rate it very highly.

Kurzbeschreibung They were the chosen ones--and the ones to be the best. Never before had the United States given so select a group of fighting men such punishing preparation. Now they were heading for their ultimate test of skill and nerve and sacrifice, in a war unlike any they or their country had ever fought before...in a land that most of America still knew nothing about...Vietnam.

Now they were heading for their ultimate test of skill and nerve and sacrifice, in a war unlike any they or their country had ever fought before...in a land that most of America still knew nothing about...Vietnam.
Synopsis The Green Berets were steeling themselves for a mission that would push them to the limits of their courage and skill, and demand the ultimate sacrifice. The First Special Forces Group were bound for Indo-China, and a confrontation which was to become the Vietnam War.
