enjoyed it very much. The story itself is found in real life with hope und grief, friendship, trust and loss. And you get the point - life is nothing without love .

Kurzbeschreibung Everything can change in the blink of an eye. . . On an ordinary London afternoon, a truck swerves across five lanes of traffic and creates a tangle of chaos and confusion. As loved ones wait to hear news and the hospital prepares to receive the injured, a dozen lives hang in the balance. A doctor is torn between helping the injured and hiding his young mistress; a bridegroom hopes to get to the church on time; a widow waiting to reunite with a lost love ponders whether shell ever see him again; and the mysterious hitchhiker, the only person who knows what really happened, is nowhere to be found. Filled with suspense, romance, and more twists than a country highway, *The Best of Times* proves once again why Penny Vincenzi is the queen of happy endings. From the Trade Paperback edition. Woman Home Vincenzi is at her absolute best when describing the mores, manners and manors of the affluent middle classes, and here she serves up more fabulous gardens, riverside homes, privately educated children and dramatically-exposed affairs with dirty women than you can shake a stick at.
