Von Erin Lawless : The Best Thing I Never Had: The bestselling feel-good romantic comedy! before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best Thing I Never Had: The bestselling feel-good romantic comedy!:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Witty,

clever and totally relatable Von Niklas Tremmel Erin Lawless was recommended to me by a friend who told me that I'd love this book. And she was right. After a short time of getting to know these characters I was laughing with them, worrying about them and in the end hoping for happy endings for (some of) them. Time flew by while reading this book which, in my opinion, is the best sign for a good book. 0 von 1 Kunden fanden die folgende Rezension hilfreich. bit disappointing Von Simona Elena Book provided by HarperCollins UK on NetGalley in exchange for an honest review* The title of this book is great and it really made me want to read it. Of course also the blurb helped for that ;) Unfortunately it took me quite a while to get into this story. All the characters were introduced at the same time and it was hard to figure out who is who and how they were all related. One paragraph was about one of the girls and her feelings and then it was a guy again. I would have preferred one perspective or at least a title with the characters name, to follow the story easier. It was difficult for me to find a connection to this story and only Adam and Harriet kept me in it to be honest. I thought that they were really cute and adorable together and the perfect match. I wanted to find out what was going to happen between them and so I kept on reading. I think the idea of the story is really nice, but for me the details were missing and there were just too many characters involved. I liked how we read about what happened in the past and then were in the future. The main thing I take out of the novel is that friendship is really important and you should be able to trust each other and also forgive sometimes. I can't give more than 2.5 coffee cups though, because the main spark was totally missing and the ending left me confused with mixed feelings. I'd say these 2.5 are for Adam and Harriet, their story and hopefully their future.

Kurzbeschreibung Funny and Addictive! Fabulous Magazine (Sun) Funny, sad and honest, if you loved David Nicholls One Day and Mhairi McFarlane this is the book for you. So much more than a love story, more of a life story. Five years ago at university they had been seven friends that laughed hard and loved harder. Nicky and Miles were the couple that were always meant to be Leigha and Adam, not so much. So when Adam and Harriet grew close during endless days in the library, they did the one thing that changed everything they kept a secret. And when it came out, it all fell apart. When the day comes for bridesmaids to be chosen and best men to fulfil drunken promises, Nicky and Miles wedding isn't just a wedding, it's a reunion loaded with past hurts, past regrets, past loves. What readers are saying about The Best Thing I Never Had: 'One of the most engaging books I've read this year. I loved it' Books with Bunny 'A superb debut about complicated ties, betrayal and lies, and one of my favourite books of the year' ChickLit Club 'Friendships, trust, lies, deceit, love and so much more a real page-turner for me' CosmoChickLit 'Pressstimmen' 'One of the most engaging books I've read this year.
