Von Hanna Rosenstahljax ist eigentlich jacqueline frank. sie hat das thema shapeshifter in diesem buch in die zukunft eines fremden plantensystem gelegt. wir befinden uns auf dem planeten PAN, welches durch ca. 40 Meisterhuser regiert wird. hierbei steht jedes haus fr eine mchtige familie, die die politischen strukturen lenken und welche die ursprngliche rasse des plantens darstellen. durch kriege und die darauf folgenden katastrophen wurde die

ursprüngliche Bevölkerung des Planeten fast zu 100% unfruchtbar. Die Huser entschieden den Planeten dicht zu machen, um ihn vor fremden Einflüssen zu schützen. Das hat auch einen Sklavenboom zur Folge. Und hier setzt nun die Geschichte ein. Die blaue Gestalt auf dem Cover ist Hanna, Oberhaupt eines mächtigen Hauses. Ihr Leibsklave ersteigert für sie einen Sklaven. Interessant fand ich, dass hier die Seiten umgedreht werden. Oft werden in Büchern ja immer die Frauen verkauft, ersteigert, besungen, etc. Hier ist eine sehr interessante Geschichte entstanden und ich hoffe, auf Fortsetzung. Hanna hat natürlich ein Geheimnis (Shapeshifter), aber wie sich das entwickelt und wie das in diese Welt passt, soll jeder selber herausfinden. Das Lesen lohnt sich.

Kurzbeschreibung Discipline Of Love Strapped and chained on the block, a masterpiece of naked flesh and muscle turns slowly. . . the eyes of the crowd devour the sight of Vejhon, whose platinum-white hair and cat-green eyes mark him as newly captured from a wild planet on the outer edges of space. The noble men and women erupt in a bidding frenzy--that finally stops on a man named Najir. This strikingly handsome man who strangely resembles Vejhon cries out the winning bid on behalf of the lady he serves. Hanna Drakoulous now has a matched pair of the finest males in the galaxy. . . Shackled, Vejhon can only marvel at the mysterious beauty with blue skin and shining eyes whom Najir clearly worships. But Vejhon refuses to humble himself--until Hanna's kiss strikes him like lightning. First dominant, then sensually tender, she arouses him to explosive sexual passion that goes beyond the limits of physical pleasure. What manner of mistress has bought him and what does she want? Freedom is what he wants, but will she be worth the price? Let's talk about JAX. I have an aka. You may know me as Jacquelyn Frank. Now, I'm not getting tricky on you or trying to confuse you, it's just that sometimes I write something that goes a little out of the norm; walks a fine line with erotica, or perhaps crosses right into it. So we created JAX. JAX will be where you can find a steamier side of Jacquelyn Frank. In the end, though, it's all still me. I still live in Asheville, NC, with my nine cats. (I swear. . . nine is my absolute limit! No, I mean it this time!) I still love my little girl to pieces and I'm still trying to save the world one book at a time. **WARNING!** This is a REALLY HOT book. (Sexually Explicit)
