Von Sean Michael : The Bikers Pup (English Edition) before purchasing it in order to gage whether or not it would

be worth my time, and all praised The Bikers Pup (English Edition):

KurzbeschreibungThe Biker's Pup by Sean Michael Whip came to the Gay Riders Carnival fundraiser weekend looking for a good time, but what he found was infinitely better. Whip always has a good time at the Gay Riders Carnival, and this year hes hoping to meet up with some studs and top last years festivities. The last thing he expects when he walks into his cabin is to be nearly bowled over by a skinny lad with a bruised jaw. Nick came to the Carnival with his so-called Master Dirk, but instead of having a good time, things moved quickly from bad to worse and Dirk responded to his safeword with a punch. Running away and hiding was Nicks only option. Broke, alone and not entirely sure how hes going to get home, Nick thinks Whip is a dream come to life and hes just waiting for the other shoe to drop. For his part, Whip is drawn to the sweet pup and falls hard for Nick over the course of the long weekend. But whats going to happen when the weekend is over? About Sean Michael Often referred to as "Space Cowboy" and "Gangsta of Love" while still striving for the moniker of "Maurice," Sean Michael spends his days surfing, smutting, organising his immense gourd collection and fantasizing about one day retiring on a small secluded island peopled entirely by horseshoe crabs. While collecting vast amounts of vintage gay pulp novels and mood rings, Sean whiles away the hours between dropping the f-bomb and pursuing the kama sutra by channelling the long lost spirit of John Wayne and singing along with the soundtrack to "Chicago". A long-time writer of complicated haiku, currently Sean is attempting to learn the advanced arts of plate spinning and soap carving sex toys. Barring any of that? He'll stick with writing his stories, thanks, and rubbing pretty bodies together to see if they spark.
