Von Victoria James : The Billionaire's Christmas Baby: A Red River Series Book (A Billionaire for Christmas) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Billionaire's Christmas Baby: A Red River Series Book (A Billionaire for Christmas):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Cute,

nice read - 3 1/2 stars
Von Customer
"The Billionaire's Christmas Baby" is a cute and entertaining read. The story starts out well and has two well-written and likable main characters. Unfortunately, the last part/third didn't really do it for me as the pace got much too fast and the characters didn't seem that realistic anymore. -SPOILERS-*****
The way the characters behaved after they came back from the cottage, was quite unrealistic, which is a pity. While it's believable to have both characters liking and feeling attracted to each another, having them fall in love and having them want to spend the rest of their lives together, is not. (They only know each other for a week!!!) It would have been better, if there had been more time for main characters' relationship to grow/develop. I would have loved to read more about their relationship AFTER their time at the cottage and less about their relation while at the cottage - because it was then when real life and "real world"-problems started, meaning it was only then when they started to REALLY get to know each other (but the novel actually ended shortly after that, so go figure).*****
END of SPOILERS-CONCLUSION: The novel definitely had its flaws, but is still an enjoyable read. I can recommend it. 3 1/2 stars out of 5.

Kurzbeschreibung
The Billionaire's Christmas Baby by Victoria James
An Entangled Christmas Classic
Jackson Pierce didn't make his fortune entertaining every half-cooked idea, especially one involving diaper changes. Not even the cute brunette who links him to the baby in her arms can crack his icy heart. A baby on the doorstep is the least of Hannah Woods's problems she has to find the baby's uncle, or the child will end up in foster care. She sleuths her way to the reclusive CEO's doorstep only to find six feet of holiday sexy and a door slammed in her face. But when Jackson comes around and urges they marry for little Emily's sake, Hannah finds herself falling for the jaded billionaire and wishing for a holiday miracle of their own.
