Billionaire's Heart (BDSM Erotic Romance) (His Submissive) Von Lily M. "The Billionaire's Heart (BDSM Erotic Romance)" by Ava Claire is the fourth and final part in the "His Submissive" Series and it starts with Leila and Jacob having a nice day until Rachel shows up revealing she knows about the contracts and threatening to go to the press. So Leila makes a deal with her to protect Jacob even it means she has to lie to him. When he learns about this he puts an end to their relationship, but Leila won't give up without a fight. In this part, we also learn more about Jacob's past and his relationship with his father and why he doesn't get attached...out emotion. Like the first three, I really enjoyed very much reading this and it's sad that with this part this Series ends, but what a lovely ending...I love it. Ava Claire did an amazing job and I can't wait to read more of her works. Thank you for writing this amazing Series and sharing it with us. Very well done, Ava.

What I wasn't prepared for was the thrill in the waiting. With each new rotation of him caressing each side, teasing me, I trembled with renewed anticipation. You've been a naughty girl, haven't you? His hand trailed down and when it cycled back up, his fingertips carried up the hem of my dress. Each inch brought the warm night breeze to my skin. I wanted him to spank me. To punish me. Jesus, I never thought I'd voluntarily lay there and wait for someone to wail on me, but I'd never wanted anything more than this. I wanted him to take me to a place where everything, even pain, faded. A place where there was only us. He gripped one of my cheeks, kneading and pumping it. You deserve to be punished, don't you? He tightened his hold when I didn't answer. Answer me, Leila! Yes, It came out as a whine. A plea. Yes sir. Punish me, Jacob. Please. When I saw the way you were moving with that mangyrating, laughing, pressing your body against his I wanted to drag you from the room. After decking him, of course. He added. Regret flared at the thought of that. It would have caused quite a scene, but the idea of him punching out someone over jealousy made me shiver with delight. I wanted to take you home and strap you to the cross. His finger trailed down the seam of my thong, stopping at my pulsing core. I wanted to flog you until you screamed my name. I imagined the fear, the pain, and the perverse pleasure. It made me squirm as he rubbed my heat through the thin fabric. But I can't wait until we get home, Leila. His voice was rough. Rife with lust. I want to punish you now. He stopped stroking me and it took all my self-control to not beg him for more. Before I submitted, I would have tried to get my point across in blatant ways. Throaty moans. Rocking my hips. But I trusted that he knew exactly what I needed and that it wouldn't come so easy. Not tonight. You will count out every strike, he commanded. Every. Last. One.****Length: 16,100 words.
