**Von Kelli Sloan : The Billionaire's Lust (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Billionaire's Lust (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I LOVED THIS HOT READVon Al-Khemet Book ClubI could literally hear Sam Smiths Stay with me playing in my

head as I read this book. My heart goes out to Britney, poor girl has been through so much but that is what I liked about this book, its short but packs a powerful punch, the author manages to convey so many different themes and styles and emotions all summed up into 110 brilliantly written pages. I am excited about her other stuff as I felt satisfied with what this presented and the avenues it explored. I also got to watch Britney mature a little and after much stress and struggle, got up and decided she wanted more from life but is this hot rich man, and his NSA rule healthy and enough for our girl? Read and find out. Sizzling romance, breathless passions, mixed with a multi-layered theme of loss of love and friendship that is steeped in betrayal. This novel is wonderful for those cold, lonely, single nights curled up in bed with some warm coffee and your kindle e-reader. Al-Khemet Book Club, March 2015

Kurzbeschreibung Britneys life has fallen apart. Her boyfriend was cheating on her with two women, her best friend betrayed her and her boss treated her like dirt. Moving to New York in search of adventure and a new life, Britney finds more than she ever imagined. She starts her new life with a one night only fling involving a gorgeous business man known only as Dale. They agree to the rules of their encounter no last names and no further contact. Her world is shaken by this beautiful man who gives her a night of primal, earth-shaking, passion-filled lust. But when one night turns into two, and then three, Britney starts to feel lost. Can Britney decipher the difference between lust and love? Kurzbeschreibung Britneys life has fallen apart.
