The subject is a bit of a taboo, but I think it is well written.I didn't think it was very disturbing to read about this theme.I think the main persons are very easy to understand, because of what is going on.That is also the reason that I am dying to read the second book.

KurzbeschreibungEverett isn't used to not getting what she wants. When what she wants is her mother's husband there's nothing a little tit for tat won't get her. A look at a budding relationship between a stepdaughter and her stepfather. A quick hot read full of drama and steamy scenes.KurzbeschreibungEverett isn't used to not getting what she wants.
