Einfach mal abschalten und lachen!Von Monika VanhagenLange habe ich mich nicht mehr so amsiert, wie bei dieser sehr kurzweiligen Geschichte von Milly Johnson. Hauptfigur ist die bisher allein erziehende Mutter Stevie Honeywell, die mit ihrem Sohn zu ihrem Verlobten Matthew ins Haus gezogen ist und nun mit vollem Elan ihre Hochzeit organisiert.

Dumm nur, dass Adam, der Mann von Matthews Arbeitskollegin Jo, die mit Stevie ebenfalls befreundet ist, plötzlich vor der Tür steht und ihr eröffnet, dass ihr Verlobter sich mit Jo zusammen im Urlaub befindet. Stevie hasst Adam nicht nur für diese Nachricht, er hat auch den Ruf, ein Frauenschlger zu sein. Dennoch beschließen die beiden nach einigen Verwicklungen, sich zusammen zu tun und um ihre Beziehungen zu kämpfen. Als Matthew und Jo ihre Partner dann tatsächlich verlassen, reagieren diese vollkommen anders, als die beiden es erwartet haben... Muntere Bumchen-wechsel-dich Geschichte, teilweise schreiend komisch und mit einer großen Beobachtungsgabe für die Eitelkeiten und die Reaktionen von Menschen. Auch, wenn man eigentlich immer weiß, wie die Geschichte am Ende ausgehen wird, ist dieses Buch jederzeit zu empfehlen!

Kurzbeschreibung THE TOP FIVE SUNDAY TIMES BESTSELLING AUTHOR! A warm, tender and utterly hilarious story about love and betrayal from the Sunday Times bestselling author of The Queen of Wishful Thinking. Love can sting. Or make you fly ... Romance writer and single mum Stevie Honeywell has only weeks to go to her wedding when her fiancé Matthew runs off with her glamorous new friend Jo MacLean. It feels like history repeating itself for Stevie, but this time she is determined to win back her man. She isn't going to act as he might expect. She isn't going to wail and dig her heels in, she is simply going to pretend to let him go whilst she pursues a mad course of dieting, exercising and self-improvement. And it feels like history is repeating itself for Adam MacLean too, who is also determined to win his lady, Jo, back with the same basic psychological tactics. Then he is going to initiate his master plan: Getting together with Stevie to drive Jo wild with jealousy. So, like the Scottish country jig 'The Birds and the Bees', the couples all change partners and learn some revealing truths about each other along the way. But what happens when Adam's master plan actually starts to work? And just who will Stevie be dancing with when the music stops?
