KundenrezensionenHilfreichste Kundenrezensionen2 von 3 Kunden fanden die folgende Rezension hilfreich. Good for the novicesVon Ein KundeAndy Goldberg's book contains some good information for people who don't have a lot of experience with improv. He has some good suggestions for rehearsals and performances, and there is also information on starting a troupe. If you are more interested in perfecting your art, you would be better off reading "Impro:

Improvisation and the Theatre" by Keith Johnstone or "Improvisation for the Theater" by Viola Spolin. This book is better suited for those with little or no performance experience.1 von 2 Kunden fanden die folgende Rezension hilfreich. Good for comicsVon Ein KundeAndy's book sticks to what he knows best, improvisational comedy, so he doesn't allow the performer much depth. Good basic improv rules and comedy exercises. Also look at "Improv! A Handbook for the Actor" by Greg Atkins and "Improvisational Theater" by Viola Spolin.0 von 1 Kunden fanden die folgende Rezension hilfreich. One of the BestVon Ein KundeGoldbergs book Improv Comedy is the premiere book on improv comedy. Using all his experience in his 20+ years in the business he pulled it all together for this book. As an actor I'd recommend this book to anyone looking to take thier acting to the next level.
