Von Sarah Millward : The Birthday Treat - For A Cuckolded, Humiliated Sissy (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Birthday Treat - For A

Cuckolded, Humiliated Sissy (English Edition):

Kurzbeschreibung John was very critical of his wife, Lucy - of her smoking, and the 'slutty' way she dressed; but when she saw that he had been looking at smoking fetish and femdom websites, where men were forced to dress in female clothing and have dominatrix blow smoke in their faces, and use their mouths as ashtrays, and who humiliated them in every possible way: she was firstly very angry, but then determined to teach her husband a lesson - a lesson he would never forget..... for his 'birthday treat', taking him on a journey of total feminization, sissification, cuckolded degradation, and gay humiliation that he would find it hard to turn back from. Extract-They all knew from Lucy how much John hated smoking, and of his obsession with physical fitness. His marathon running to raise money for charity, which he boasted about so much, was a common cause of merriment in Lucys office. He criticizes me smoking but then I caught him looking at fetish photos of women smoking, Lucy said. Typical male double standards, Helena answered, He needs to be taught a lesson. They all lit up and stood around John blowing smoke into his face. The knickers were pulled out of his mouth and a lighted cigarette thrust into it - he coughed and spluttered violently before it was removed. Then middle-aged PA Jackie pinched his nose and ordered him to open his mouth - which he did, and she flicked her ash into it. They all followed suit - using him as a human ashtray. Then they finished their cigarettes, chatting and gossiping as they did so, as if John was a mere receptacle for their convenience.
