**Von Robert Louis Stevenson : The Black Arrow (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Black Arrow (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 2 Kunden fanden die folgende Rezension hilfreich. Action, Mystery, and Romance Von Ein Kunde This book is one of the best I've read. It is what every book about the middle ages should be and more, with suspense, action, disguises, escapes, and of course, the occasional love scene. Robert Louis Stevenson lived in the mid-1800s, and is renowned for his many works, including Treasure Island, Dr. Jekyll and Mr. Hyde, and Kidnapped. The Black Arrow, written originally for a magazine, was written after a serious illness in

Stevenson, and was published right after *Treasure Island*. Dick Shelton, a boy of sixteen, is quickly thrust into the conflict of the War of the Roses. He battles against almost any kind of evil - bloodthirsty pirates, a murderous priest, and even his own legal guardian - Sir Daniel Brackley. Through the whole book Dick strives to become a knight, and to rescue his true love. *The Black Arrow* is a sure winner for 6th graders and up. 3 von 4 Kunden fanden die folgende Rezension hilfreich. A romantic adventure for teens and the young at heart. Von Tory Stephen Thorkelson While "*Treasure Island*" and "*Kidnapped*" are more famous and beloved by the adventurous boys and girls of America, I think this book is underrated. "*The Black Arrow*" combines the best of the adventure of "*Treasure Island*" and the swasbuckling intrigues of "*Kidnapped*". However, it adds the elements of a young and romantic pair of lovers. I would recommend this book both for the adolescent who has progressed beyond Stevenson's more famous books as well as those of us who are still romantics at heart and miss the days of King Arthur or the Code of Chivalry. Enjoy!! 2 von 2 Kunden fanden die folgende Rezension hilfreich. If you love action and romance, read this book. Von Ein Kunde Set against the backdrop of the Wars of the Roses, *The Black Arrow* is an intriguing look at the life of young Richard Shelton. Richard's life is shaken when he realizes that those he had thought to be his friends are really his enemies, and he is forced to make choices that will determine the course of his life. Although the characters are well-developed and the plot is fascinating, this book is not for the squeemish or lazy reader. The description is not only vivid, it is often gorey. The language is sometimes difficult and a dictionary might prove quite handy. But anyone looking for a well-written, action-packed classic should read this book.

**Kurzbeschreibung** This book was converted from its physical edition to the digital format by a community of volunteers. You may find it for free on the web. Purchase of the Kindle edition includes wireless delivery. From School Library Journal Grade 7 Up--Students of the classics will appreciate Ron Keith's excellent rendition of Robert Louis Stevenson's adventure novel, set against the background of the War of the Roses. The time is 15th century England, and Richard Shelton, the young hero, overcomes one obstacle after another in his quest to rescue Joanna, his love. British actor Keith's talented voice gives life to Shelton, his friends, and his enemies, delivering the old-fashioned English with ease and precise diction. The unusual vocabulary can usually be understood in context. Keith's slightly nasal, raspy, resonant voice changes frequently to differentiate between the characters, varying from bass to treble. He changes tones to express a full range of emotions. Songs are not a problem for Keith, as he knows the melody for each. Consider this audiobook for purchase where Stevenson is part of the curriculum. Claudia Moore, W.T.
