**Von Rex Stout : The Black Mountain (A Nero Wolfe Mystery)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Black Mountain (A Nero Wolfe Mystery):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nero Wolfe walks through the mountains of his homeland.Von cleodog@ibm.netSomeone has murdered Nero Wolfe's best friend Marko, owner of Rusterman's, the only restaurant Wolfe will frequent. More than food is at stake -- Marko and Wolfe share a mysterious history in their birthplace, the mountains outside Sarajevo. Marko is one of the very few who Archie has heard call Wolfe by his first name. Wolfe sets out to find the murderer and the adventure leads back to the Black Mountain, the place of his origin. Wolfe puts out more physical exertion in this one book than in all the others put together, which is one of its charms. But what really works for me is that he casts Archie in the role of his son for the sake of their cover story -- bringing to the front some of the subtle aspects of their "normal" relationship in the old brownstone. It's a stretch for everyone -- readers included -- but the emotional borders are widened as in no other Nero Wolfe novel, and the result is extremely satisfying. Stout's brilliance has, in my opinion, all ways resided in great measure in his ability to suggest the emotions of his characters through a small action or phrase that lets the reader in without spelling it all out. In "The Black Mountain" Stout has brought to the surface the truth of the Archie/Wolfe relationship in full color with absolutely no pandering, and no cheapness.1 von 1 Kunden fanden die folgende Rezension hilfreich. They're actually UNabridged, if they're the ones I recorded.Von Michael PrichardI'm the narrator of all the Nero Wolfe books from Audio Partners which you're listing on your website. I've just noticed that you list my recordings of THE BLACK MOUNTAIN, FER-DE-LANCE, THE GOLDEN SPIDERS, and WHERE THERE'S A WILL as abridged. Please note that these recordings are all actually UNabridged. It may make a difference with potential purchasers. Thanks.1 von 1 Kunden fanden die folgende Rezension hilfreich. Wolfe's Silly SeasonVon Ein KundeDon't bother unless you've read all the good ones. Wolfe goes to his homeland (Montenegro) on a ridiculous mission. It comes from a period when Stout was trying to make his Wolfe books more sensationalist (also Even in the Best Families, The Golden Spiders). None of them really work. It can be good fun when Wolfe is derailed from his routine, but not here.

KurzbeschreibungVowing to avenge the murder of his dear friend, Marko Vukcic, Nero Wolfe, along with his faithful partner, Archie Goodwin, journey to the hazardous mountains of Montenegro.KurzbeschreibungVowing to avenge the murder of his dear friend, Marko Vukcic, Nero Wolfe, along with his faithful partner, Archie Goodwin, journey to the hazardous mountains of Montenegro.Synopsis When one of Nero Wolfe's closest friends, is gunned down in cold blood, the detective takes it personally, pledging to do everything in his power to bring the killer to justice. But his reckless vow draws him into the most lethal case of his career. '
