Von sa Larsson : The Black Path: A Rebecka Martinsson Investigation before purchasing it in order to gage whether or not it would be worth my time, and all praised The Black Path: A Rebecka Martinsson Investigation:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The black PathVon MieselIch habe schon bessere Bcher gelesen, und bei einem Thriller mchte man doch mit Spannung die Story erfahren die hinter dem Mord steckt, wer und warum das getan hat, eine berzeugende Geschichte eben. Das hat mir gefehlt.0 von 0 Kunden fanden die folgende Rezension hilfreich. Good writing!Von HausfrauI've become an

addict of Swedish crime fiction over the last years, but I must say that Kurt Wallander got bogged down in his later years. This series is fresh! One distinguishing thing is that there isn't a central brooding character in the story. There are lots of people involved who all are well developed. This stuff may not be Dickens or Pushkin, but I just love it.0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend! Von Vanessa Kohlgrber Mal wieder absolut spannend, fesselnd, gut zu lesen, der absolut klassische Schwedenkrimi für Leute, die auf Schwedenkrimis stehen und mgen!

Kurzbeschreibung A woman's body is found on a frozen lake, bearing the marks of grisly torture. Inspector Anna-Maria Mella knows she needs help with the case - the woman was a key player in a mining company whose tentacles reach across the globe. Lawyer Rebecka Martinsson is desperate to get back to work, to feel alive again after a case that almost destroyed her both physically and emotionally. Soon she is delving into the affairs of the victim's boss, the founder of Kallis Mining, whose relationship with the dead woman was complex and obsessive. Martinsson and Mella are about to uncover a dark and tangled drama of family secrets, twisted sexuality, and corruption on a massive scale. Set against a haunting, icy backdrop and packed with suspense, *The Black Path* is a menacing and evocative psychological crime novel. Pressestimmen 'Another enormously successful Swedish import, Larsson is a remarkably good writer who has been well served by her translator' Literary . 'Torture, corruption and perversion: there is no shortage of naughtiness in Asa Larsson's *The Black Path* ... A superior example of Scandinavian noir' Sunday Telegraph. 'Larsson aficionados will know that her duo of distaff investigators are among the most quirkily characterised in the field ... [the] author's grasp of all her characters' psychology possesses a keen veracity' Independent. 'Larsson's chilling insight into the worst of human nature cannot be faulted' The Irish Examiner. 'Asa Larsson is one of the best' Shots. 'a compelling read ... this series is really amongst the cream of recently translated Scandinavian crime fiction' Eurocrime. 'as dark in theme as the wintry landscapes are bleak, but Anna-Maria Mella [...] provides sufficient light and warmth to guide even the most Scandi-sceptic reader through to the end' The Sunday Independent. 'Powerful psychological insights ... gripping ... totally fascinating... Enthralling' Crimesquad. 'a gripping tale about how corruption corrupts' Country Life.
