the Morlands ... Von Ein Kunde Being the sequel to "The Oak Apple", this novel is the fifth book in the MORLAND DYNASTY series. Nine months after the fateful battle of Marston Moor, which Kit did not survive, his cousin Ruth gives birth to a bastard daughter, Annunciata. After the restoration of James II, Ruth sends her daughter, now a woman grown and bearing an uncanny resemblance to the Stuarts, to London where she becomes an instant sensation at Court. Populated by engaging characters and vivid in historical detail, this book is as enjoyable as the preceding books in the series.

Kurzbeschreibung 1659: Cromwell's protectorate is drawing to a close, and the restoration of the monarchy can only improve the fortunes of the Morland family. The years of civil war and their aftermath have left Morland Place in dire straits, but with the return of the King, Ralph Morland believes he can rebuild the family estates. For his beautiful and ambitious cousin, Annunciata, the Restoration means a journey to London - one that leads to the amours and intrigues of Charles's court and to the unlocking of her mysterious past. A new and kinder age is dawning - a time for healing wounds - but more uncertainty, conflict and sorrow await both Ralph and Annunciata before they can find peace and forgiveness.
