I give The Black Pearl a four star rating.Von Jessica SteeleI give The Black Pearl four stars because it is very adventurous and suspenseful. The main character in the Black Pearl is a boy named Ramon Salazar. Ramon has always dreamed of joining his father's pearling company. Finally, one day when he's sixteen his father lets him go with the fleet to dive

for pearls. When they get to the place where they dive, his father says he is not trained so he has to stay aboard the boat. Will Ramon ever be trained and get to dive with the fleet? You'll only find out if you read the book *The Black Pearl* by Scott O'Dell. I recommend this book to ages nine and up. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great book Von Ein Kunde This book was a wonderful quick read. It is a story about Ramon, a young pearl hunter. This book was wonderful and very interesting. It was refreshing to find a young adult book without a lot of sex and violence. I would recommend this book for any reader. 0 von 2 Kunden fanden die folgende Rezension hilfreich. BORING Von Ein Kunde I Kim Stramaglia think this book was one of the worst books I have ever read. It had a boring plot and predictable ending. I do not recommend this book to anyone.

Kurzbeschreibung From the depths of a cave in the Vermilion Sea, Ramon Salazar has wrested a black pearl so lustrous and captivating that his father, an expert pearl dealer, is certain Ramon has found the legendary Pearl of Heaven. Such a treasure is sure to bring great joy to the villagers of their tiny coastal town, and even greater renown to the Salazar name. No diver, not even the swaggering Gaspar Ruiz, has ever found a pearl like this! But is there a price to pay for a prize so great? When a terrible tragedy strikes the village, old Luzon's warning about El Diablo returns to haunt Ramon. If El Diablo actually exists, it will take all Ramon's courage to face the winged creature waiting for him offshore. From Publishers Weekly A 16-year-old boy does battle with an enormous devilfish that guards a rare, black pearl. PW said this 1968 Newbery Honor Book reverberates with "proud admiration of the courage of the human spirit." Ages 10-up.
