Format lag, oder an dem etwas beschwerlichen Beginn der Geschichte. Nach und nach fand es dann aber zur alten Form zurück. Dennoch habe ich hier den sonst blichen Fluss etwas vermisst. Ich habe es trotzdem in einem Zug ausgelesen, Alkoholschmuggel in den Prohibitionsjahren, mit Mord und falschen Verdächtigungen. Eigentlich spannend, aber doch nicht auf Top Niveau durchgeführt. 4.5 Punkte0 von 0 Kunden fanden die folgende Rezension hilfreich. Great fun! Von SHI haven't read all books of the series yet, but so far this is the funniest. There were several descriptions and situations that made me laugh. The story was interesting, and there was also suspense. The detective remembers a vital clue only at the end of the investigation, but to be honest, I had forgotten it too. If you're looking for a thriller, this is the wrong book. It is set in peaceful surroundings (people are actually shocked at the sight of a gun), there is a family background story, lots of talking. More in the style of Miss Marple than James Bond. Since I like this type of book it made an excellent read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nette Krimivariante Von TripleSIch habe das Buch als "Deal des Tages" gekauft; dadurch super Preis-Leistungs-Verhältnis. Ein angenehm zu lesender Krimi mit sehr wenig Blutvergießen und sympathischen Figuren, auch die Nebenfiguren sind liebevoll angelegt und beschrieben. Für Leute, die englische Bücher zur Pflege und Aufbesserung des Wortschatzes lesen, ein netter Nebeneffekt: durch die Handlung in den 20er Jahren kommen etliche Begriffe vor, die in aktuellen Büchern selten zu finden sind. Mein Fazit: Krimilektüre ohne allzu großen Anspruch, aber unterhaltsam!

KurzbeschreibungIt is 1925 and the Honorable Daisy Dalrymple, her husband Alec Fletcher and their recent twins move to a new, large house on the outskirts of London. Set in a small circle of houses with a communal garden, it seems like the idyllic setting - that is, until a murder victim turns up under the bushes of the communal garden. Now rumours of bootleggers, American gangsters and an international liquor smuggling operation via black ships turn everything upside down. Alec, in his role as Scotland Yard detective, has been assigned to ferret out the truth behind the murder - but it is up to Daisy to find out who the dead man is, what his relationship with her new neighbours was, why he was murdered - and who it was who did him in!
