cant stop reading. I have read the book with in of tow days because i just could not stop. Now im starting the second one.I liked how the story evolved and I also liked that the book has a lot of unexpetet turns and twists.The book shows the story of a inocent boy who is struggling for Power in order to survive, take revenge for what has been taken from him and can never been returned and in order to live a live of a normal human and not be tratet as the lowest of the lowest. It is a catching story. It is also a heart touching.But if your looking for a love story you are wrong hier!!I would recomend this book any one how likes fantasy / Asien Fantasy / Wuxia/xianxia.PS.: pleas exuse my english it is not my first language and with a dyslexia on top of that its not easy for me.1 von 3 Kunden fanden die folgende Rezension hilfreich. EntsetzlichVon CustomerIch habe nur bis knapp zur Hlfte durchgehalten. Grundstzlich hatte ich bei diesem Typus von Geschichte eine Mary Sue erwartet, aber ich htte mir nie trumen lassen, dass es eine derart miese und bertriebene Mary Sue werden wrde. Ich kann von diesem Buch nur abraten.1 von 3 Kunden fanden die folgende Rezension hilfreich. Well doneVon DirkGreat book! Nice use of grammar, vocabulary and wuxia as well as xianxia elements.
