Von E.M. Powell : The Blood of the Fifth Knight (The Fifth Knight Series Book 2) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Blood of the Fifth Knight (The Fifth Knight Series Book 2) (English Edition):

should really be read in chronological order, but I do think they stand alone to some degree. Having said that, you will enjoy them more if you read them in sequence. The plot is well researched, historically "sound", and flows extremely well. Having been delighted to come across the first novel, I was left hoping there was a sequel. Having finished this, I am looking forward to the next book in the series. Well written and rounded, I can only congratulate the author for a work well done. Thank you Elaine!

Kurzbeschreibung England, 1176. King Henry II has imprisoned his rebellious Queen for attempting to overthrow him. But with her conspirators still at large and a failed assassination attempt on his beautiful mistress, Rosamund Clifford, the King must take action to preserve his reign. Desperate, Henry turns to the only man he trusts: a man whose skills have saved him once before. Sir Benedict Palmer answers the call, mistakenly believing that his family will remain safe while he attends to his King. As Palmer races to secure the throne for the King, neither man senses the hand of a brilliant schemer, a mystery figure loyal to Henry's traitorous Queen who will stop at nothing to see the King defeated. The Blood of the Fifth Knight is an intricate medieval murder mystery and a worthy follow-on to E.M. Powell's acclaimed historical thriller *The Fifth Knight*.
