Together Are Mastyr Quinlan and Batya Powerful?Von Ingrid Stephanie JordanTitle : The Blood Rose Series Box Set Books 1 - 2 - 3Author : Caris RoaneReviewed by : Stephanie JordanEmbrace The Dark Book 1I have read Ms. Roane books probably since day one. I love her imagination, she has an amazing way for her writings that pull your right into the story. Yep she's got the talent, BUT I'm the dreamer.Garrod is a Mastyr Vampire and protector of the Merhaine Realm. Abigail is a human who loves to bake cupcakes. She has just opened her bakery in this realm. For a year now Garrod has been attracted to Abigail as she is to him and so they stay away from each other. Till one night they found each other. Abigail can't believe she is a Blood Rose and Garrod is amazed his stomach doesn't hurt. Adventure, Sexy Vampires and hard, hot sex. You want to read this..Embrace The Magic Book 2And here she goes again, Ms. Roane writes about another Blood Rose. This is an awesome read. She writes her characters that take on a life of there own.Ethan, is the Mastyr Vampire of the Bergisson Realm. Dedicating his life to watch over the people of his realm. The Invictus were getting worse, he fought them for they were not taking his realm.Samantha Favreau, was raised in

the human world who is a college student that has always been interested in the realms. Little does Samantha know she is half fae. While doing research Samantha goes to a club and all the Vampires look at like she's on the menu. Then Ethan comes in and Samantha body reacts to him, she wants him. What was happening to her? To make matters worse she has a vision. She's never had a vision before. Yes, this is a must read. BE PREPARED to read to the end you won't be able to leave this book till the end. Embrace The Mystery Book 3 The Blood Rose Series is awesome, every book I fall a little bit more in love with all the Mastyr's in each Realm, just think there are Nine Realms.. Quinlan is the Mastyr Vampire, protector of the Grochaire Realm. His realm means the world to him. But for some reason after knowing Batya for over hundred years he is attracted to her, so much that he starts stalking her on earth's it like he has to have her. Batya is half fae and half troll, her father is Davido, a powerful ancient troll. Batya was very powerful in her own right as a healer Leaving the Grochaire Realm to go to Tennessee and opening an art gallery. Today was different though Mastyr Quinlan was across the street sending vibrations that sexually aroused Batya just as she was going to tell him to come over they are attacked, by an ancient fae. Quinlan is hurt!! I was gifted this ARC for an honest and truthful review.
