Von David Hare : The Blue Room: A Play in Ten Intimate Acts before purchasing it in order to gage whether or not it would be worth my time, and all praised The Blue Room: A Play in Ten Intimate Acts:

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Quick, easy, witty, but not earth-shakingVon Ein KundeDavid Hare's dry humor underlies most lines in this play and, as a result, it is a funny enough read. Prior to reading Hare's adaptation of La Ronde, I saw the Broadway version. The audience at the theater failed to laugh at the underlying humor as it was not emphasized. The text, however, brings out this facet of the play very well. Overall, however, there is nothing special about the the play itself. It is a cursory

analysis of sexuality and sexual politics. But it's not the Kinsey report.0 von 1 Kunden fanden die folgende Rezension hilfreich. BravoVon Shannon MI for one adored this play. Did not see the Broadway play but from what I heard it apparently cheapened this excellent work by David Hare. It goes into the before and after scenes from which the curtain closes. It is not about the sex but how society and individuals view sex and how common day our culture holds it. Any open minded individual interested in how individuals and societys behaviors correlate must read this play. It is short and easy reading for anyone to enjoy.0 von 1 Kunden fanden die folgende Rezension hilfreich. BravoVon Shannon MI for one adored this play. Did not see the Broadyway play but from the reviews I heard it only cheapened this excellent work by David Hare. It goes into not the act of sex but the before and after scences displaying the casualness of sex in our society. Definatly something worth thinking about. Recommend Skylark by David Hare as well.

KurzbeschreibungArthur Schnitzler described Reigen, his loose series of sexual sketches, as "completely unprintable," and indeed its premiere in 1921 spurred an obscenity suit. It was only when Max Ophls made his famous film in 1950 that the work became better known as La Ronde. Now David Hare has reset these circular scenes of love and betrayal in the present day, with a cast of two actors playing a succession of characters whose sexual lives enmesh like a daisy chain. The Blue Room is a brilliant meditation on men and women, sex and social class, actors and the theater. With deft insight about the gap between the sexes, The Blue Room takes the treacherous Freudian subject of projection and desire and reinvents it in a bittersweet landscape that is both eternal and completely up-to-date.
