Even before she became the new head of Clan MacKinnon, Katherine had heard all of her life about the dastardly deeds of their enemy, the Blackthornes. Katherine makes a death bed vow to her father that she will continue the fight against the sixth Duke of Blackthorne, Alastair Wharton. When Katherine claims a choice Scottish estate as being owned by her clan, Alastair sets sail to Scotland to put an end to this nonsense. However, after nearly dying in a shipwreck, Alastair scores a job as THE BODYGUARD to the fiery Katherine, who has many enemies. Alastair stays close to Kitt to protect her and learn her plans on how she will gain control of the disputed lands. However, their proximity leads to a growing love. Still, he is the very enemy that she has sworn a sacred vow of vengeance towards and this doesn't make their chances for a lifetime of happiness seem very possible. The third novel, starring the popular Blackthorne family, is a well written, very interesting Regency romance. Like its two predecessors (CAPTIVE and AFTER THE KISS), the story line is filled with action and vibrant characters that bring to life early nineteenth century Scotland and England. Fans of the series and historical romances in general will joyfully want to read Joan Johnston's latest fascinating romance.

Waste of a premise
Von Ein Kunde
This book, while interesting in its premise -- the female hero in an unlikely time finding her archrival as a bodyguard and then a lover, has none the qualities that carried it through. The plot was average at best, with a sloppy and unfulfilling resolution. The characters are monotonously good or bad, and all the while entirely single-willed and uninteresting intellectually. The dialogue is somewhat unconvincing, sometimes seemingly contrived. All in all, the book missed it's chance to be something more than a shabby romance -- it could have had a dynamic heroine, or an intricate and twisted story-line, or perhaps even a resolution that lived up to its potential. However, it did not. Instead, it leaves the reader to drudge through a series of "then this happened, then that happened.." and finally coming to an end of "oh, now would you believe that this happened." This book is not recommended unless the reader is willing to believe whatever fantastical thing any author throws at him (or more likely her in this case).

This book was everything I expected it to be. GREAT.

I have read all the captive heart series. I look forward to seeing more about the Blackthornes.(the Texas ones) I'd like more about Reggie the Earl of Carlisle. Also there must be a story about Becky and Mick and their children. It wasn't hard to follow the story line from AFTER THE KISS to BODYGUARD. Although I was looking for the title of the book to be "Blackthorne's Bride", I think that would have been a better title for the book, instead of BODYGUARD. I just read "Bridegroom" about the TWINS. Is there still a story line for MARCUS ELIZA and their family ? Since it started in AFTER THE KISS...I'd like to see it go on.

The Bodyguard is the latest historical in Joan Johnston's Captive Hearts series. Set in Regency-era Scotland, Katherine MacKinnon's father names her the head of the MacKinnon clan on his deathbed and extracts a secret promise: Katherine must trick the duke of Blackthorne into marrying her in order to bear a child that would rightfully own the lands that were taken from the MacKinnons by the Blackthorne family. Katherine's clansmen, however, will not accept a woman as their laird, and all are determined to marry her off to one of their own. Intent on fulfilling her promise to her father, Katherine desperately searches for a bodyguard and ultimately finds Alex. Afflicted with amnesia since being shipwrecked, Alex finds Katherine interesting and happily agrees to protect her. What Alex doesn't know is that he is the duke of Blackthorne, and that the shipwreck was an attempt on his life. Katherine discovers this truth before Alex does, and she must decide whether to tell him or not, knowing that this truth kill their blossoming love.
