Von Amanda Stevens : The Bodyguard's Assignment before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bodyguard's Assignment:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I love cowboys!Von Ein KundeI have all of Amanda Steven's books and love them all! I am also partial to cowboys and am thrilled that The Bodyguard's Assignment's heroe is both a cowboy and a lawman. I can just picture those boots, jeans, and cowboy hat! As usual Amanda Stevens outdid herself. This book catches your attention right away and keeps it.

She certainly knows how to do romance with just the right amount of mystery. Keep up the good work Amanda!
