Von Steven Brust : The Book of Athyra (Jhereg) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of Athyra (Jhereg):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. wieder superVon C. WeidlAlle Bcher der Taltos Reihe scheinen perfekt zu sein. Ich habe bisher 8 von 17 gelesen. Es gibt da keine Schwchen.In Athyra und Orca wird die geschichte zur Abwechslung nicht aus Vlads Perspektive geschrieben.0 von 0 Kunden fanden die folgende Rezension hilfreich. So gut wie die anderen :)Von NeskaBrusts Vlad Taltos und die

erschaffene Welt ist einfach fesselnd, in jedem Band neu. Kann ich nur empfehlen für Fantasy-Fans.

Kurzbeschreibung The Book of Jhereg and The Book of Taltos collected the first five novels of Steven Brust's highly imaginative fantasy series that Locus praised as entertaining and worth reading. The Book of Athyra features books six and seven in the series Athyra and Orca. Vlad Taltos is a sorcerer and assassin without peer as deadly at spell casting as he is with sword wielding. Accompanying him on his journeys are two leathery-winged jhereg who share a telepathic link with Vlad and triple his chances against even the most powerful of enemies. In Athyra, Vlad finds he's ready to retire himself and his jhereg companions, but the biggest hitters of the House of the Jhereg have something else in mind. In Orca, Vlad must repay a debt to a boy who saved his life even if it means breaking a financial scandal big enough to bring down the House of the Orca, and possibly the entire Empire. **Pressestimmen** Steven Brust isn't afraid to stretch the boundaries of contemporary commercial fantasy. **Newsday** Suggestive of Raymond Chandler or the early Roger Zelazny. It's a breath of fresh chilly air. **Mile High Futures** A memorable fantasy world, to which it is always a pleasure to return. **Locus** Imagine James Bond in a world of magic. **VOYA** Engaging, written with a light touch, good stuff. **Publishers Weekly** Watch Steven Brust. He surprises you. **Roger Zelazny** **Kurzbeschreibung** The Book of Jhereg and The Book of Taltos collected the first five novels of Steven Brust's highly imaginative fantasy series that Locus praised as entertaining and worth reading.
