**Von Kathleen McGowan : The Book of Love (Magdalene Line Trilogy)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of Love (Magdalene Line Trilogy):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Leicht enttäuschendVon C. BuchnerDas Buch ist gut, aber es zieht mich bei weitem nicht so rein, wie das "Magdalena Evangelium", da das Buch in sehr, sehr groen Teilen vom Leben einer Matilda erzht und die Hauptperson, Maureen kaum in Erscheinung tritt. Natrlich ist auch Matildas Leben interessant, aber sie lebte ca. 1000 nach Christus. Im

ersten Buch werden viele Sprünge durch die Zeiten gemacht, was spannend ist, aber im zweiten Buch spielt sich einfach sehr viel nur 1000 nach Chr. ab... Ich muss also sagen, dass ich eigentlich enttäuscht bin. Aber ich habe erst die Hälfte des Buches gelesen und habe noch bisschen Hoffnung.

**Kurzbeschreibung**Maureen Paschal thought she might rest and work on her book after discovering the gospel written by Mary Magdalene that revealed Jesus and Mary Magdalene were married. The truth of their story rocked the world and made Maureen a target of those who did not like her discovery and a heroine to those who did. Then Maureen receives a strange package containing what looks like an ancient letter written in Latin and signed with a symbol. She discovers that its author is an extraordinary woman whom history has overlooked -- or covered up -- Countess Matilda of Tuscany, and in the letter Matilda demands the return of her "most precious books and documents." Maureen soon finds herself in a race across Italy and France, where hidden dangers await her and her lover, Brenger, as they begin to realize that they are on the trail of another explosive discovery: the Book of Love, the Gospel written in Jesus' own hand. As Maureen learns more about Matilda, an eleventh-century warrior countess who was secretly married to a pope, she begins to see the eerie connections between herself and Matilda, connections she must trace to their source if she is to stop the wrong people from finding the Book of Love and hiding it forever. Weaving together Matilda's little-known true story and Maureen's thrilling search, *The Book of Love* follows two amazing heroines as their stories intertwine through time. Maureen is immersed in the mysteries of the labyrinth, the beautiful poetry of the Song of Songs, the world's greatest art and architecture, and Matilda's amazing legacy...until a potentially fatal encounter reveals the Book of Love to Maureen -- and to the reader.

**Synopsis** Cultures throughout Europe believed there was once a gospel written in Christ's own hand, a treasure of almost unimaginable magnitude. It was referred to by the Cathar culture in France, who claimed to be direct descendants of Christ, as *The Book of Love*. But the teachings in *The Book of Love* were radical and contrary to the political agenda of the Church. Papal forces launched one of the bloodiest crusades in history against the Cathars in an effort to wipe out their 'heresy' - and to gain possession of the original, incendiary manuscript - a document so revolutionary that its contents would be considered ground-breaking and visionary 2000 years later. In *The Book of Love*, Maureen Paschal continues her journey of discovery begun in *The Expected One*, following evidence in stone and stained glass, clues left 800 years ago by the ancient architects of the great Gothic cathedrals of Europe. As Maureen and her team get closer to the truth, they find themselves locked in the most ancient human struggle - the epic battle between good and evil.
