Von Sir E. A.(Erner Alfred) Wallis Budge : The Book of the Dead (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of the Dead (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. At least the price is right...Von Ein KundeIt's a given that serious egyptologists will roll their eyes at anything by Budge (there's a great moment at the beginning of the film "Stargate" where James Spader's character makes a quip about Budge's books).However, if you are interested in 19th-century occultists (Blavatsky, Crowley, etc) then you probably

should have this translation on your shelf next to a more modern one, because Budge is a primary source of their ideas about Egyptian gods and religion (which are interesting in their own right, though not historically accurate or scholarly). And again, at least Budge's stuff is widely and inexpensively available in Dover paperback editions....0 von 0 Kunden fanden die folgende Rezension hilfreich. Geschmacksache...Von YvonneFr mich ist es eine Art Klassiker..Ich kannte das Buch von frher und muss sagen damals hatte es mich echt beeindruckt.. Irgendwie hat es ber die Jahre leider an Glanz fr mich verloren..Also ndern sich die Geschmcker wohl doch im Alter...Bin dennoch froh es gelesen zu haben..0 von 0 Kunden fanden die folgende Rezension hilfreich. A great book.Von tsmile@teen.comThis book was wonderful. It was a bit hard to understand so I would recommend that a experianced student of the Ancient Egyptian culture buy it.

You may find it for free on the web. Purchase of the Kindle edition includes wireless delivery.Synopsis E. A. Wallis translated and transcribed this work. The Book of the Dead is the name given the ancient Egyptian funeral text 'The Book of Coming [or 'Going'] Forth By Day'. The book details the Egyptian view of the afterlife. Included are spells, hymns and instructions for the dead to pass through obstacles in the afterlife. This papyrus scroll was placed in the coffin of the deceased. The Book of the Dead was first thought to be a Bible but is it not a religious work. It is more of an instruction manual for the recently departed.
