**Von Clive Cussler, Justin Scott : The Bootlegger: Isaac Bell #7 (Isaac Bell Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bootlegger: Isaac Bell #7 (Isaac Bell Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This is a full storyVon Paul ChanaThis is a story with almost everything that makes a book difficult to put down' from a rich plot full of intrigues, breath-taking suspense and succinct historical details; to characters that are colorful, rugged, vicious, smart and daring; to a setting that is far-reaching, complex and fascinating. It is a style I found particular

appealing in the story of Gavin in Triple Agent Double Cross. This story has adventure, murder, integrity, values and love wrapped up so well. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Isaac Bell Von Robert Lamb Thanks Clive . Great job. Story is a great read. I have been reading this non-stop for days now. Every time I thought to have a pause, I couldn't help but pick this up again. A really great read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Stunning - Van Dorn's Team at its best Von -Kunde Isaac Bell facing ruthless enemies: Corruption and bootleggers. His team: Texas Walt and the sparkling lioness Pauline Grandzau. Action at its best, a real page Turner.

**Kurzbeschreibung**The Bootlegger is the seventh of Clive Cussler's bestselling Isaac Bell novels. It is 1920. Prohibition and bootlegging are in full swing. When Joseph Van Dorn is shot and nearly killed while in pursuit of a rum-running vessel, his friend and employee, Isaac Bell, swears to him that he will hunt down the lawbreakers. But Bell doesn't know what he is getting into. When a witness to the shooting is executed in a manner peculiar to the Russian secret police, it becomes clear that these were no ordinary bootleggers. Bell is facing a team of Bolshevik assassins and saboteurs - and they are intent on overthrowing the government of the United States. An adventure laced with secret cargo and assassins, The Bootlegger is the seventh of Clive Cussler's Isaac Bell novels, and follows The Spy, The Thief and The Striker. **Praise for Clive Cussler:** Cussler is hard to beat - Daily Mail The guy I read - Tom Clancy The Adventure King - Sunday Express Clive Cussler is the author or co-author of a great number of international bestsellers, including the famous Dirk Pitt adventures, such as Arctic Drift; the NUMA Files adventures, most recently Zero Hour; the Oregon Files, such as Mirage; the Isaac Bell Adventures, which began with The Chase; and the highly successful most recent series, the Fargo Adventures. He lives in Arizona. Justin Scott is the author of twenty-six novels, including The Shipkiller and Normandie Triangle; the Ben Abbot detective series; and five modern sea thrillers under his pen name Paul Garrison. He lives in Connecticut. This is historical action-adventure fiction at its rip-roaring best! Library Journal (starred review) The Isaac Bell series continues to tell compelling stories. Tidbits of history are sprinkled throughout the narrative, and it's fun to filter out fictional characters and events from historical facts. Associated Press As always in this series, the novel is very exciting, with excellent pacing and some very well drawn characters. With his combination of mental and physical prowess, Isaac Bell could easily become a sort of superhero (imagine a blending of Sherlock Holmes and Doc Savage), but the authors do a nice job of keeping him from crossing that line. Another fine entry in a strong series. Cussler is a perennial A-lister, popularity-wise, and his Isaac Bell novels are the pick of his prodigious litter. **Booklist** [A] laudable historical action novel. Publishers Weekly Praise for The Striker This adventure might be the best yet in the series. The history is fascinating reading. Add a James Bond style flair with sabotage and villainy, and the end result is a great action thriller. --Associated Press Interesting historical scene-setting facts; action that shifts from the dangerous depths of a coal mine to Wall Street, to a confrontation in a tunnel being dug for the New York subway and to a riverboat battle between two paddle-wheelers; deft characterizations; and hard-boiled dialogue. Classic Cussler. --Kirkus s The Isaac Bell series is by far the most interesting and enjoyable of Cussler's novels. They continue to show him at his best, commercially and literarily. --Booklist Exciting The action flows swiftly, and the authors do a good job depicting the work conditions and the class warfare of the time. -- Publishers Weekly **Kurzbeschreibung**The Bootlegger is the seventh of Clive Cussler's bestselling Isaac Bell novels.
