Von Cormac McCarthy : The Border Trilogy: Picador Classic (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Border Trilogy: Picador Classic (English Edition):

Kurzbeschreibung Cormac McCarthy's award-winning, bestselling trio of novels chronicles the coming-of-age of two young men in the south west of America. John Grady Cole and Billy Parham, two cowboys of the old school, are poised on the edge of a world about to change forever. Their journeys across the border into Mexico, each an adventure fraught with fear and pain, mark a passage into adulthood, and eventual salvation. In *All the Pretty Horses*, young John Grady Cole, dispossessed by the sale of his family's Texas ranch, heads across the border in search of the cowboy life, where he finds a job breaking horses, and a dangerously ill-fated romance. In *The Crossing*, sixteen-year-old Billy Parham captures a wolf that has been marauding his family's ranch and, instead of killing it, decides to take it on a perilous journey home to the mountains of Mexico. These two drifters come together years later in *Cities of the Plain*, a magnificent tale of friendship and passion. In the vanishing world of the Old West, blood and violence are conditions of life. Beautiful and brutal, filled with sorrow and humour, *The Border Trilogy* is both an epic love story and a fierce elegy for the American frontier. Pressestimmen "An American classic to stand with the finest literary achievements of the century." *San Francisco Chronicle* "A miracle in prose, an American original." *New York Times* Book Werbetext From the author of *The Road*, and *No Country for Old Men* comes this trilogy containing *All The Pretty Horses*, *The Crossing* and *Cities of The Plain*
